CARRER OBJECTIVE

To build a professional career in a dynamic technology environment where I can apply analytical thinking, modern development frameworks, and structured engineering principles to create high-performance solutions that drive digital transformation.

EDUCATIONAL QUALIFICATION

K.S. Rangasamy College of Technology, Tamil Nadu	2022 - 2026
Bachelor of Technology (B.Tech) in Artificial Intelligence and Data Science – CGPA: 7.48	
HSC Adhiyaman Matric. Hr. Sec. School, Uthangarai – 95%	May 2022
SSLC Adhiyaman Matric. Hr. Sec. School, Uthangarai – 83%	March 2020

SKILLS

- Programming Language:** Java and Python
- Frontend Development:** HTML, CSS, React.js
- Backend Development:** Node.js
- Web Development:** Html, CSS, React
- Database:** MySQL

INTERNSHIP

- Worked as a Community Growth Lead & Technical Assistant Intern at SiDRA Hub from 17th July to 17th October 2025.
- Assisted in technical documentation, data analysis, and project team support while contributing to improved workflows and communication strategies.

PROJECTS

E-commerce Platform

Technologies Used: HTML, CSS, JavaScript, Node.js

Developed a full-stack e-commerce web application featuring 1000+ product listings with images, descriptions, and pricing. Implemented a real-time shopping cart using JavaScript for dynamic item management and designed a checkout workflow for order review and confirmation. Built backend services using Node.js and Express.js to handle API requests and cart operations. Ensured a responsive user interface for seamless performance across devices and deployed the application on platforms like Vercel/Heroku for online accessibility.

Volunteer Management Dashboard System

Developed a full-stack volunteer management dashboard to handle member data and communication within a club, featuring a role-based authentication system for Admin and Volunteers. Built the frontend using React.js and backend using Node.js, designed and managed an SQL database for efficient data storage, and integrated REST APIs to enable seamless frontend-backend interaction.

Final Year Project

“An Artificial Intelligence-Powered Framework Integrating Internet of Things Sensing and Deep Learning for Air Quality Index Monitoring and Mitigation Guidance”

Designed and implemented an intelligent IoT-based air quality monitoring system using machine learning and LSTM models for accurate AQI prediction. Processed multivariate sensor data with preprocessing techniques to enhance reliability and modeled nonlinear pollutant interactions for pattern analysis. Enabled real-time forecasting and risk-level classification through a scalable framework, supporting proactive pollution monitoring and decision-making in industrial environments.

CERTIFICATIONS & COURSES

- Earned WordPress certification, gaining expertise in website development and content management.
- Received Humanitarian Service Award from Atchaym Trust for contributions to social service.
- Received Outstanding Service Award from Sarvam Educational Trust for exceptional contributions.

- I have received an Elite grade in the NPTEL course 'Introduction to Industry 4.0 and Industrial Internet of Things' in 2025
 - Received Best Social Responsible Award during the 32nd Annual Day for outstanding contribution to social service and volunteer activities
-

CO-CURRICULAR ACTIVITIES

Leadership Roles:

- Overall Coordinator, SM (Service Motto) Volunteers
 - President, AI & DS Association
 - Student Coordinator, National Service Scheme (NSS)
 - Volunteer, Atchayam Trust (Erode), TQI (Talent Quest for India)
 - SPOC, Talent Quest for India — April 2025 to March 2026
-

VOLUNTEER EXPERIENCE

Talent Quest for India (NGO)

Role: SPOC (Single Point of Contact) – Cluster Class Program

Duration: 3+ Years (Ongoing | Entering 4th Year)

Actively contributed to the Cluster Class Program by delivering structured sessions on academics and foundational IT skills for Grade 9–12 students. Served as SPOC, coordinating volunteers, managing schedules, and handling communication with stakeholders. Conducted in-person classes across Dharmapuri district, supporting rural education and ensuring consistent program impact over 3+ years.

PERSONAL PROFILE

Father's Name: Mr.M Dhandapani

Mother's Name: Mrs.D Aravindha

Sibling Name: Ms. D Harini

Age: 21 years

Date:
